

2024 Saline County Fair Youth Sale

Junior Livestock and Ham Sale

Join us at 5 p.m. for the Champions Row - an opportunity to meet the youth exhibitors and view the champion animals. Friday evening 6 p.m. Live Auction. Both blue and red ribbon hams will sell in the Live Auction. We appreciate that you are here to support these outstanding youth of our county. Thank you!

How the sale works:

- Livestock sells for premium only – so you do not receive the animal. You are providing financial encouragement to the exhibitor.
- If you are the successful bidder on a ham/bacon, you do receive the ham/bacon. You'll notice that many purchasers choose to donate the ham/bacon to the Ham Breakfast served this coming Sunday morning here at the fairgrounds in the multipurpose building. The Fair Board gratefully appreciates these donations. Just tell a ring person at the time of the sale whether you wish to take possession of the ham/bacon or prefer to donate it.
- The exhibitor receives 95% of the successful bid. The Fair Board retains 5% of the successful bid to cover expenses.
- Please pay the cashier this evening.
- If there are multiple buyers for one lot, please provide the clerk with a written list of the buyers and the amount each buyer is responsible for.
